FULL ITINERARY

DAY 1 - WELCOME TO QUITO, CAPITAL OF ECUADOR!

Welcome to Ecuador! You will be met at Quito Airport and transferred to the hotel.

The rest of the day will be spent at leisure, allowing some time to acclimatise and soak up the atmosphere of Quito.

Included meals: none

Accommodation: 5* Swissotel, Quito (or similar)

DAY 2 - QUITO CITY TOUR & VISIT THE EQUATOR

After breakfast, we will enjoy an orientation tour of Ecuador's capital city, Quito. We will walk down quaint cobbled streets, lined with beautiful brightly-coloured colonial houses, whose balconies are dressed in flowers. The town is watched over by the winged Virgin of Quito, sitting up on the Panecillo. We will walk down streets previously walked by the Incan people on their way to the Panecillo, which is thought to have been a centre of worship to the Sun and Moon Gods. When the Spanish arrived, they transformed this Incan avenue into a place heavily influenced by Christianity. Seven crosses were erected along the length of the avenue in an effort to make the indigenous people believe in their god. We will walk along this street to the Plaza de la Independencia. On the square's southern side lies one of the oldest cathedrals in South America, and the modern sacred heart of the city – Quito Cathedral, an impressive white-walled building with green-glazed ceramic domes. The symmetrical Palacio de Carondelet, the Presidential Palace, runs along the western side of the square. Its balconies were a gift from the French Government and are originally from the Tuilleries Palace in Paris. We will also take a look in at the ancestral interior courtyard of the Centro Cultural Metropolitano, which has over the years been used as a tobacco factory, prison and university. Walking a little further, we come to the National Library and the incomparable Iglesia de la Compañía, a Jesuit church overflowing with Baroque art. The gold that covers its interior hides the church's tragic history, of the fire that devastated it and the earthquake that shook it.

Afterwards, we will head north-west out of Quito where the landscape becomes dry and sandy. In this desert-like place, we will pass the small towns of San Antonio de Pichincha and Calacalí. As we drive along you will notice that the vegetation becomes denser and the leaves of the plants and trees become larger until we reach the Mitad del Mundo - the middle of the earth - as calculated and measured by the French Geodesics Mission. Ecuador literally means Equator and was named after its famous feature.

Included meals: Breakfast, Lunch & Dinner

Accommodation: 5* Swissotel, Quito (or similar)

DAY 3 - OTAVALO MARKET, QUITO

Today we will visit the Otavalo handcraft market, situated in the suburbs of Quito. The indigenous Otavaleños are famous for their weaving, usually with wool. You will also find stalls selling textiles, tagua nut jewellery, musical instruments, dream catchers, leather goods and much more, all traditional handicrafts of the local people. We will also visit a local rose farm before lunch in a local restaurant. On our way back to Quito we will stop at the Quitsato Sundial – the first and only Monument of the Middle of the world, that is exactly on the Equatorial Line or Zero Parallel.

Included meals: Breakfast & Lunch

Accommodation: 5* Swissotel, Quito (or similar)

DAY 4 - MINDO CLOUD FOREST

For chocolate lovers our first stop this morning will be one you'll enjoy – a chocolate tour showing you the process from tree to tastebuds!

Then we'll head on our big adventure for the day to the town of Mindo. The Mindo Cloud Forest has more than 400 species of bird and the second-highest number of endemic species of butterfly in the country. A team of professional and prepared guides will take us on an amazing journey above the cloud forest on a series of zip lines. Harness up and enjoy the forest from above and the adrenalin of flying through the air with the birds.

We will have lunch in at the butterfly farm, where we can see a spectacular variety of butterflies in different phases of their life cycle. From here we can take a short walk into the cloud forest, keeping an eye out for exotic birds and mammals amongst the lush vegetation and listening to the gentle background hum of life in this extremely diverse place. For great viewing of hummingbirds and other wildlife, we will stop at the Alambi

Reserve on our way back to Quito.

Included meals: Breakfast & Lunch

Accommodation: 5* Swissotel, Quito (or similar)

DAY 5 - FLY TO THE GALAPAGOS ISLANDS, EMBARK & SULLIVAN BAY, SANTIAGO ISLAND

Today we fly from Quito on mainland Ecuador to Baltra Airport, in the Galapagos Islands. Lying some 1,000km off the western coast, the islands are some of the most remote on the planet.

Upon arrival in the Galapagos Islands, after passing through immigration and baggage claim, we will be transferred to M/T Horizon where we will be met by our crew. After a briefing and safety meeting with the guide and crew, we'll start our Galapagos adventure.

Our first stop on the cruise this afternoon will be Sullivan Bay. You will visit Sullivan Bay located on the southeast part of Santiago.
